

My Leaf Book

Name: _____

The Northern Red Oak is one of our most important timber trees.

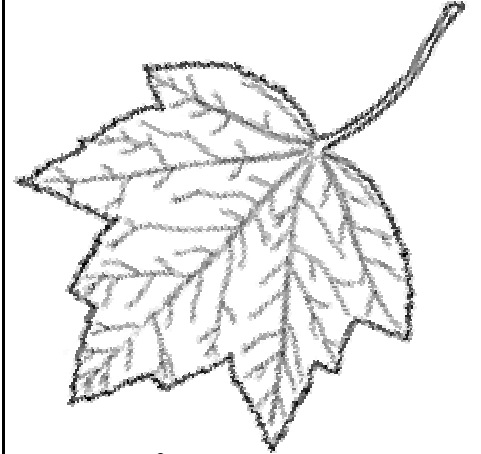

Northern Red Oak

Many American Beech trees are hollow and provide dens for wildlife.

American Beech

Red Maple is one of the most colorful Fall trees in our forest.

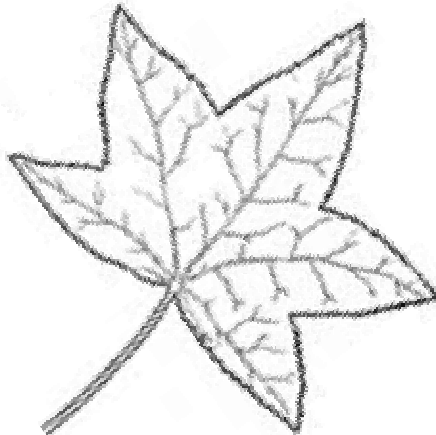

Red Maple

Flowering Dogwood

The Flowering Dogwood is the Virginia state tree and state flower.

Sweet Gum

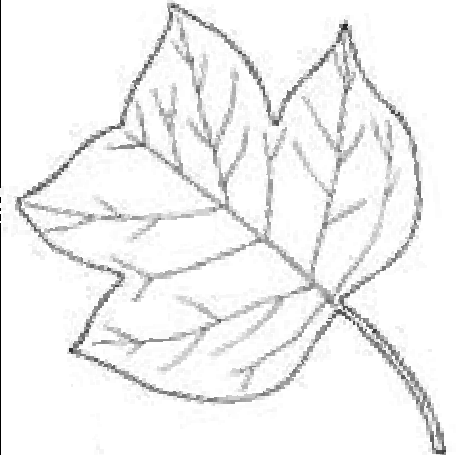

The leaves of the Sweet Gum tree have a spicy scent when bruised.

White Oak

White Oak wood is water-tight so it is used for barrels and wooden ships.

Yellow Poplar

The Yellow Poplar is also known as the Tulip Poplar or the Tuliptree.
